

## Advice in County Durham Network Meetings

Advice in County Durham will formally bring together network members on a bi-monthly basis. We hope to provide a genuine networking opportunity; to share ideas, to access training and keep up to date in order to better facilitate the needs of our communities.

Venues for the meetings will be circulated prior to each meeting with a full agenda for each event. It is proposed that these meetings will be half day events unless specific needs arise for more/less time.
